Deputy/County Surveyor's Note:  
Pursuant to California Business and Professions Code, Section 8766 (the Professional Land Surveyors' Act), it is the opinion of the County Surveyor that this map does not demonstrate that proper methods of procedures were executed during the course of this survey. Additionally, inquires and requests for information made by this office to the surveyor in regards to the information shown hereon were not responded to. Pursuant to this, the review of this map could not be completed. This map is being recorded at the request of the submitting surveyor.

Surveyor of Record Note:  
Pursuant to section 8768 of the Professional Land Surveyors' Act, we respectfully responded to map checking comments from Marin County and, as the Surveyor of this Record, have not received comments of material difference as to this Map's sufficiency for recordation. Pursuant to section 8768 of said Act, I hereby request this record of survey map be recorded without further change or delay.

RECORDER'S STATEMENT:

Filed this 25 day of MAY, 2018,

at 8:00 AM in Book 2018 of Maps at Page 93  
at the request of James L. Hallberg.

MAP NOTES:

- All courses shown hereon are the calculated values derived from thorough evaluation of the record documents; any discrepancies between record values are shown with said record values in parentheses.
- All monuments are shown hereon in their measured locations; any deviations from record are annotated with bearing/distance from record corners, intersections, etc..
- 1" Outside Diameter (O.D.) pipes called out in the referenced maps hereon are called 3/4" pipes per industry standards; they are the same.

Boundary Notes:

- The majority of all points located within the scope of this survey were on steep embankments and leaning to varying degrees.
- The two exceptions were the points shown as Pt."A" and Pt."B", both original monuments of the Parcel Map designated as 2 PM 24 and both on relatively level and stable ground.
- Pt."B" was in a small hollow and the ground was more likely to effect a slight movement of the monument; these monuments were deemed as the best evidence for retracement of the subject parcel.

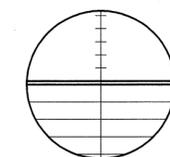

BASIS OF BEARINGS

The basis of bearing for this survey is S62°50'24"E, per the calculated tie of "Parcel Map, Division of the Lands of A.Halan & Julia White, 1722-OR-345 & 1787-OR-188", recorded in Book 2 of Parcel Maps at Page 24, Marin County Records, as evidenced by the two original found monuments shown hereon as "Pt.A" and "Pt.B".
