NOTE
 The centerline monuments per 6 RM 3 were apparently never set. In the many surveys I have done in this subdivision I have found the 1/2" rebars with concrete collars throughout the subdivision and in quite good conformance with the recorded map dimensions. They may be regarded as original monuments.

Basis of Bearings
 The basis of bearing for this survey is N 33-47-19 W between the found 1/2" rebar and the found 3/4" iron pipe with tag "LS 3835" as shown hereon and on R6.
